2. If no adviser work has started, the GBP 149 service fee is refundable in full.
3. If adviser work has started - for example a personalised shortlist has been prepared, a viewing has been coordinated or an application has been reviewed - the service fee is normally non-refundable.
4. Duplicate payments and a service cancellation initiated by NorthBridge are reviewed for refund regardless of whether work has started.
5. Property rent and deposit refunds are governed by the landlord/property provider and any tenancy or reservation terms; NorthBridge cannot approve those refunds.

Human review required

Refund disputes, payment disputes, complaints and any case where it is unclear whether adviser work has started must be routed to a human. The AI assistant may explain the published rule but must not make the final refund decision.
